

YOU CAN MAKE A DIFFERENCE...VOLUNTEER

"I really wanted to volunteer in some way, but didn't know where to start. I love to read and I started volunteering to read books to patients. The joy I bring to their faces is all the thanks I need. I never knew that doing something so little could make a huge difference in the lives of so many."

YOU CAN VOLUNTEER

It's About How You Live...

"The thing I like about volunteering here is I can put in the time that fits my schedule best and still be honoring my dad's memory, every hour I put in."

The Hospice Medicare Benefit requires hospice organizations to provide 5% of the total patient care hours be accounted for in volunteer hours. This insures your local non-profit hospice remains mission-driven.

State of the Heart Home Health and Hospice currently has a team of volunteers that serve in many ways. Still, we need you:

- ♥ Are you able to give a little time to honor the hospice cause?
- ♥ Are you newly retired, with finally a little time to give back?
- ♥ Do you have an hour a month to let the kids see you going off to your hospice volunteer work to help others?
- ♥ Could you sit with a patient, read to her or listen to her life stories?
- ♥ Do you enjoy meeting people and making them feel comfortable?

- ♥ Could you deliver interoffice mail or flowers?
- ♥ Will you share your office/computer skills?
- ♥ Do you like fundraisers?
- ♥ Could you bake cookies, pies, or cakes?
- ♥ Would you enjoy running errands for patients or staff?
- ♥ Could you and a friend take on a volunteer project together?

A "yes" answer to any of the above qualifies you to call for more information! These and many other opportunities for hospice volunteering are available. Call to tell us your skills, interests, experiences and we will find a great place for you.

- ♥ 12-15 hour orientation required at no charge
- ♥ Determine your own flexible volunteering schedule
- ♥ No requirement to do medical patient care
- ♥ Appreciation events are held for volunteers

Please contact the Volunteer Coordinator at (937) 548.2999 or 800.417.7535 or email: pfaller@stateoftheheartcare.org

"Volunteering is one of the most powerful ways to make a statement of joy and honor with your life. I promise you will feel that you are part of a team making a positive difference in the world! You will realize that you are helping others the way you were helped and you will find you are an example for and a leader of others."
